

MICRO FILM ACADEMY (MFA) JUNIOR FILMMAKER

3 Hours Scripting Workshop

OVERVIEW

The beginning of the filmmaking process is the screenplay. Screenplays are where characters are born, worlds are created and dramas unfold. At the MFA Jr Filmmaker 3-Hour Scriptwriting Workshop, students learn about the fundamentals of scriptwriting while building 21st Century learning skills. Idea pitching, story development, character building and making stories flow seamlessly are stimulating and thought-provoking
